vcdevaney@gmail.com

Objective

To provide high quality relief services to local small animal practices. It is my goal to provide both quality medical and surgical care and superior customer service in order to maintain and improve your clients' bond to your practice.

Education

Doctor Veterinary Medicine	2002	Texas A&M University College of Veterinary Medicine
BS, Biomedical Science	1999	Texas A&M University

Professional Experience

Relief Veterinarian	June 2010 – Present	Houston, TX
----------------------------	---------------------	-------------

Providing routine preventative, medical and outpatient surgical care for dogs and cats.

Relief Veterinarian	June 2008 – June 2010	Southern CA
----------------------------	-----------------------	-------------

Providing routine preventative, medical and outpatient surgical care for dogs and cats.

Veterinarian/Proprietor , House Calls For Horses	January 2007 – June 2010	Riverside, CA
---	--------------------------	---------------

Equine ambulatory-only practice covering western Riverside County, southern San Bernardino County, and nearby areas. House call euthanasia of dogs and cats also provided through referral from small animal practices. Sold practice in order to start a family.

Associate Veterinarian , Guitar Veterinary Services	June 2004 – January 2007	Norco, CA
--	--------------------------	-----------

Developing the backyard-owner aspect of a previously ranch- and track-based ambulatory equine veterinary practice. Affiliation ended when practice dissolved by owner at the end of 2006.

Relief Veterinarian , RSVP and Independently	July 2003 – June 2004	Houston, TX
---	-----------------------	-------------

Providing relief services for small and mixed animal practices, both through staffing agency and independently, including routine outpatient medical and surgical care of patients. Regular clients included Humane Society, regular veterinary clinics, and mobile vaccine clinics.

Internship , Equine Medical Associates	June 2002 – June 2003	St. Louis, MO
---	-----------------------	---------------

Ambulatory practice including routine and emergency management of field cases. Managing all hospitalized medical and postoperative cases for a private, equine-only practice.

Professional Organizations

AVMA, Society for Veterinary Medical Ethics, TVMA

Professional Interests

Practicing evidence-based medicine, preventative medicine, behavior and positive reinforcement training of companion animals, and strengthening the human-animal bond. Pursuing ABVP certification.
